

St. Michael parish is committed to becoming a community of missionary disciples who are dedicated to prayer and worship, nourished by the sacraments, emboldened by the Word of God, and sent forth by the Holy Spirit to bring others to Jesus Christ. Forming strong, intentional disciples is key to the success of this mission.

On behalf of the Evangelization Team, you are invited to participate in discipleship training which we are incorporating into the fabric of our parish life.

- ☒The discipleship training will run for six Wednesday evenings, beginning on May 30, from 6:30-8:30 P.M.
- ☒Class dates are as follows: May 30, June 6, June 13, June 20, and June 27, July 11.
- ☒All sessions will be held in the activity room.
- ☒We will be using materials from Father John Riccardo for the training. Please let us know at your earliest convenience if you will be able to attend. There is much work to do in the vineyard.
